

## (4/18)Daily Scrum or Standup Meeting

Team name: 10

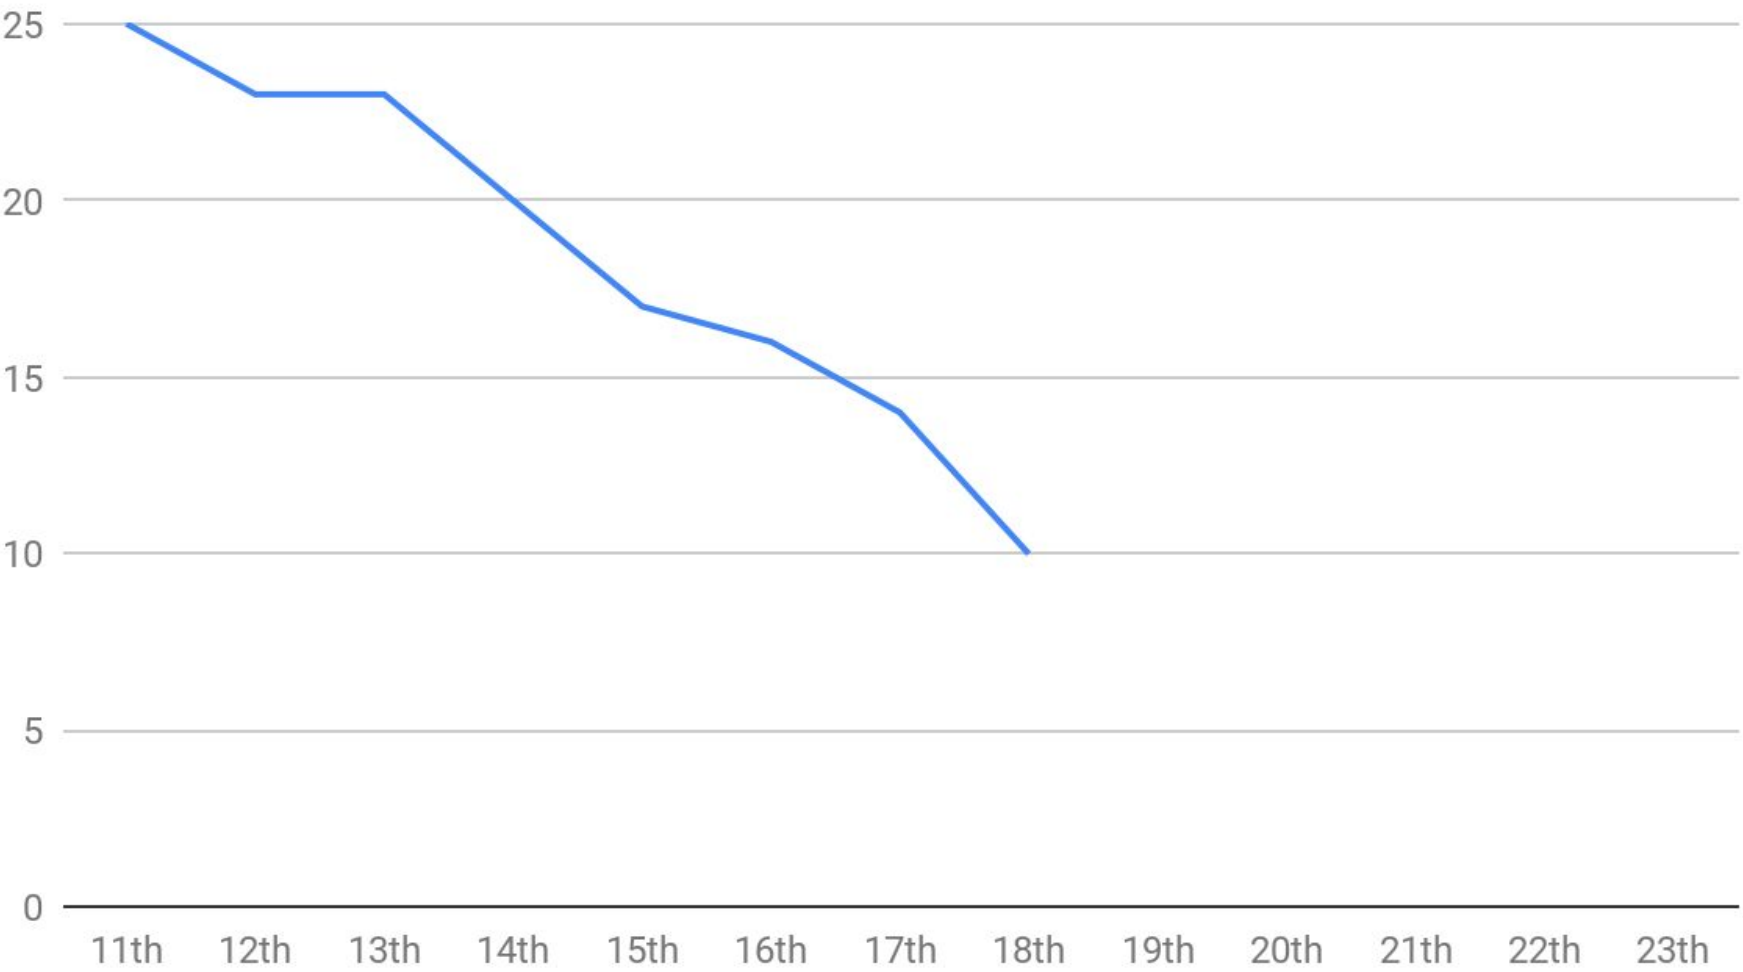

Scrum Master: Nick Jugganaikloo

Date: 4/18

Team Member	What did you do since the last scrum?	What do you plan to do before the next scrum?	What obstacles do you have?
George Done	attempted at unit testing	unit test views	research
Zach Hawkes	Finished the return feature. And added validation to the borrow/return functions	Work on the profile page and polish css here and there.	Time. Never enough time.
Tanner	Add list of movies to your profile. Display list of lent/borrowing movies on home page.	Send email to requester when request is approved/rejected.	More stupidity of CSS.
Nick Jugganaikloo	Deployed To google Cloud server	redploy and fix styling that got messed up on my pages	Static file issue and lots of settings to watch on the cloud server

When a borrow request is accepted/rejected, send an email to the borrow requester with the status of the borrow request and the owners email if the request was approved. 2 hrs.
